

POLICY REGARDING MULTICAMPUS ATHLETIC ELIGIBILITY

- (1) Students may participate in an intercollegiate sport on a campus other than their home campus if that sport is not offered on their home campus
- (2) In those situations when a sport is offered on the home campus as well as on another campus, students may only participate on their home campus. In addition, students must take at least 50% of their current credits on their designated home campus while participating in the intercollegiate sports program. Exceptions to this policy will be considered only in unusual circumstances and must be approved by the senior campus student affairs administrators on both campuses and the senior college student affairs administrator.
