## College Policy Regarding Prerequisites

All degree seeking and non-degree students will need to verify that they have met course prerequisites before they will be permitted to register for courses that have pre-requisite requirements.

As a non-degree student, you will need to provide evidence that you have satisfied prerequisites by showing documentation, such as prior transcripts, Regents examination scores, or other test scores, such as SAT, ACT or Advanced Placement scores.

If you have documentation which shows that a prerequisite was met, you can present this documentation, along with a prerequisite waiver request form (available on the College website, Quick Links Non-Degree Students), via email to an academic dean. Please select the dean who is associated with the campus on which the desired course is offered (from the choices below). If you have questions concerning this policy or its procedures, please email the appropriate campus below.
